Dear Neighbour,

Trowbridge Surgery is hosting an Engagement Evening, along with colleagues from North East London Integrated Commissioning Board and the London Borough of Hackney. The engagement meeting is being held to discuss the reasons why a temporary building providing additional space for the surgery is so necessary, to enable us to provide the level of healthcare that our community requires.

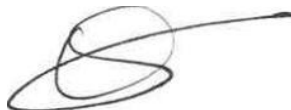

We will be very pleased to see you and to let you know what we will be able to deliver from the additional space located on the land adjoining the surgery.

There will also be plans and elevations of the proposed temporary building available to view, for which we will be seeking planning consent from the London Legacy Development Corporation; who are the current planning authority.

The Engagement Meeting will be held at the Senior Citizens Hall in Merriam Avenue **6pm-7.30pm** on **Tuesday 23<sup>rd</sup> May 2023**.

We look forward to meeting as many of you as possible.

Yours sincerely,
